[Software Para Zune Empaquetado Free Download](#)

## WELCOME TO ZUNE

start playing

START ME OFF WITH THE DEFAULT SETTINGS. I'LL CHANGE THEM LATER IF I WANT TO.

- Add all media in my default Windows folders for music, videos, and pictures.
- Make the Zune software my primary music and video player.
- Download song and album information from the Internet.
- Retrieve missing song information automatically.
- Send Microsoft Zune-software usage data to help improve its products.

START

change the default settings

I WANT TO CHANGE ZUNE SOFTWARE SETTINGS. SETTINGS INCLUDE:

- Media locations (including external hard drives)
- Media types
- Feedback-program options
